NOTICE!

On all SDP Manufacturing EZ Haulers
5500 Series

SDP Manufacturing is currently in the process of an update on the outrigger assemblies of some of the 5500 series of machines. If your company has not received written notice of this update your unit(s) may not be involved. If you have any question that your unit(s) are involved in this update please call us with the unit serial number and we can verify this right away.
